

## EdgeLine Lockbox Doors (M600IL)

Designed to characterize the modern feel of architectural perspective and drawn to mimic the iconic look of steel, EdgeLine Lockbox Doors bring forward the contemporary feel of tomorrow with a minimalistic approach that is classically inspired and historically accurate.

With the option for an elongated lockbox and True Divided Lights, EdgeLine Doors showcase slender sight lines, streamlined profiles and an architecturally correct glass cut-out.

Crafted to accentuate the modern feel of your homes individualized style, an artisans approach have been blended into this unique design that allows for the look of steel within an aluminum frame.
