

## CityLine Windows

Contemporary styling and modern features showcase the fine lines and angled accents that define CityLine Windows by Quaker. Extreme sizes, bold configurations and narrow sight lines bring together the next generation of windows; refined and presented to fashion your home and enhance the core of its architectural styling.

CityLine Windows utilize a sealant-injected double corner key construction for maximum strength and composition that ensures superior structural strength and dynamic thermal performance.

OptiCore®, a patented technology created to bring energy optimization to the contemporary construction market. Offering unparalleled thermal efficiency, superior structural integrity and dynamic sound reduction, OptiCore® brings to life a proprietary view of our own world.

## CityLine Window Highlights, Performance and Operational Styles

- Patented OptiCore® Technology Framing System
  - 4-1/8" Architectural Grade Aluminum Frame
  - 4-9/16" and 6-9/16" Jamb Depths
  - Dual Euro-Groove Frame System
- Azo-Core Thermal Barrier System for Increased Energy Efficiency and Reduced Thermal Conductivity
- Multiple Glazing Package Options
